

Back to School 2020

Adjustments to our services

Thank you to everyone that has already purchased their school uniform for this year. For those still needing to purchase their uniform please note the following adjustments to our services for the final weeks of back to school.

In Store

Due to demand, we are removing the appointment requirement for in store purchases effective immediately.

Please feel free to pop into our store during our advertised opening times to make your purchases and any exchanges.

For anyone that has a pre-booked appointment, you will be given precedence at your allotted time.

Please bear in mind that social distancing measures are in place; we are restricting the number of people in our stores, so there may be a short wait in our queuing system on the forecourt.

Please don't forget about our British weather!

Click & Collect

Due to the number of click & collect orders presently awaiting collection in store, we have had to temporarily suspend all click & collect services.

Returns for refund or credit note

Please note that we will not be accepting anyone in store for general returns for refunds or credit notes until after the back to school period has ended on 6th September.

Exchanges are not affected by this.
